

## Basic Canopy Course

These courses are designed for all skill levels, whether you are a recent graduate or a seasoned jumper we can help sharpen your flight skills and knowledge.

This course will also help you complete the Canopy Proficiency Card for your B License

### Course Topics include:

- Basic Aerodynamics
- Canopy Anatomy
- The Flare
- Accuracy
- Flight Discipline (Management and Planning)
- And more

We will work with each jumper to help them improve their canopy skills through a series of jumps, with each landing videoed and debriefed. Slots are limited in each course to better maximize the knowledge and learning each participant takes from the course.

### Cost:

\$160 + jumps (5 hop and pops)

**2<sup>nd</sup> Saturday of every month (usually)**

**8:00 AM - Sunset**
